## Intellectual Property Is Our Business

**ELLIS TERRY** is the trading name of Terry IP Patent Attorneys Limited, Terry IP Law Limited, Ellis IP Limited and Ellis Terry Limited. Terry IP Patent Attorneys Limited is an incorporated Patent Attorney firm, Terry IP Law Limited and Ellis IP Limited are incorporated law firms. Ellis Terry services New Zealand and Australia. We have offices in Auckland and Wellington.

In 2017 Ellis Terry was very pleased to receive the prosecution firm of the year award for New Zealand. The annual Managing IP Global Awards is the premier award internationally for the intellectual property profession. The awards are based on extensive research and interviews with practitioners worldwide. A team of researchers based in London, Hong Kong and New York contact firms and clients in 75 jurisdiction to ask them for information and feedback.

Established to serve a local and international client base, but with a strong New Zealand client focus, Ellis Terry provides advice and expertise in all aspects of the field of intellectual property. We are flexible and can work to suit you. Our charges are based on the value we add. We do not charge for minor incidental matters that do not materially increase the effort required.

Our client base ranges from start ups to leading national and international corporations. Our technical expertise is primarily in the fields of mechanical, electrical and computer-related technologies.

We do more than just protect ideas, creativity and brands. We put the legal issues into their proper commercial context so that intellectual property can be managed just like any other business aspect. We think outside the box to help
